Course announcement for the Nordic Defence Cooperation (NORDEFCO) - Residential Practical and Functional-oriented United Nations Logistic (UNLOG-T) training; 26 September – 1 October 2022

1 Background

The activity within international peacekeeping operations requests a higher level of education and preparation of the officers who will take part in the operations. NORDEFCO has for many years hosted courses for staff officers, logistics officers, military observers and military police. These courses and trainings are part of the NORDEFCO training program.

2 Discussion

Norwegian Defence University College (NDUC) / Command and Staff College (CSC) / Norwegian Defence International Centre (NODEFIC) would like to take this opportunity to encourage qualified students to apply for the 2022 residential practical and functional-oriented UNLOG training. The training will be conducted at Akershus Fortress in the centre of Oslo, Norway.

The training is an advance training and is built up on the participation in our three days online digital training. Applicants that have not participated in our online digital training, need to apply separately for this training.

The next UNLOG three days online training is scheduled to 20-22 September 2022.

NODEFIC does not charge any Course Fee. Food and accommodation during the training are **130** euro per night. Travel expenses are to be paid by sending unit/nation. Please find the Course Description¹ indicating the details attached.

3 Conclusion

NODEFIC requests qualified students to be nominated for the UNLOG training. NODEFIC has an online application system. Please go to our website www.nodefic.org and follow the link "Apply for courses". Application deadline: 29th of July 2022. Only online application will be considered.

Be aware that participation in our training requires confirmed seat from NODEFIC.

Confirmed course admission will be issued from NODEFIC no later than 5th of August 2022 to the individual participants.
